| 1. Establish alternative watering points | 1. \$600 each | <ul style="list-style-type: none"> ▪ Only available in those areas where fencing off wetlands and/or lake edge has made water inaccessible to stock ▪ Preferred structure includes a pump, pipe, tank and trough ▪ Number may be limited depending on demand |

Fencing Standards

- Fencing materials and construction should be of a professional standard to ensure the fence is maintained in good order for at least 10 years.
- Fencing on property boundaries is not eligible for funding.

Please Note

- All incentive payments are subject to the availability of funding and are at the discretion of the Coorong District LAP and Goolwa to Wellington LAP Board Inc.
- Funding is limited. Maximum payments may be set for some incentives options depending on demand.
- All works must be completed by 30th June 2011. Payments cannot be made for works completed after this date as all unspent monies need to be returned to the funding body.
- To be eligible for an incentive payment, the relevant minimum standards must be met. All incentives are subject to the landholder accepting the conditions of funding, agreeing to maintain the works for a minimum period of at least ten years (or in some cases 5 years) and signing of an Agreement with the Coorong District LAP and the Goolwa to Wellington LAP Association Inc.
- The acceptance of incentives payments for this project does not exclude the applicant from applying for future incentives schemes or being involved in any other projects.
- All payments are made upon completion of works or milestones and after inspection by a representative of the Goolwa to Wellington LAP Board Inc.
